Subject: RE: Pesticide Data Program (PDP) Presumptive Tolerance Violation (PTV) Summary report for November 1, 2017

Thymol is exempted from tolerance per 180.1240(b). FDA would not consider thymol in honey a presumptive violation.

Subject: Pesticide Data Program (PDP) Presumptive Tolerance Violation (PTV) Summary report for November 1, 2017

Greetings,

Attached is a copy of the PDP presumptive tolerance violation (PTV) summary report for November 1, 2017. This report represents results for data that were reviewed by the PDP Chemists since the October 4th report. Please don't hesitate to contact me if you have any questions.

Best regards,

Jonathan F. Senn-Carter
